

Let Us Revise the Alphabet

Read these letters.

When written like this, they are called **capital letters**.

Now, read these letters.

When written like this, they are called **small letters**.

There are 26 letters in the English alphabet.

You begin your name and surname with capital letters. The rest of the letters in your name and surname are small letters.

Examples: Rajan Gupta, Sohan Bansal

Write your first name here.

Write your mother's first name.

Write your father's first name.

For arranging words in **alphabetical order**, we first look at their first letters. Then we arrange them as per the order of these letters in the alphabet.
